

The 2009 Book of Lists

The Book of Lists is a well-researched compendium of important facts and information about the leading companies in 46 categories in our region.

The book also includes important economic data and this year's "40 Under 40" top young executives.

The Book of Lists is great sales-lead tool, and an important research asset for your company!

Order your list on CD for easy import of lists into your company's database.
