*\*When advertising weekly. Our extensive database is used to mail the newspaper to 500 different businesses, large & small, each week to provide added reach for advertising messages.*

*The Savannah Business Journal reaches the potential buyers and customers you seek. Carrying on the tradition of regional business newspapers across the United States, we're the area's recognized leader for business news and advertising. This means decision makers in Savannah, Hilton Head Island and surrounding counties turn to us for the latest, in-depth information about business. Advertisers reach these decision makers as well — customers who spend thousands of dollars on goods and services each year.*

Published every Monday morning online, and in print the first Monday of the month. Audited readership of 4.2 readers per copy.
